

The Art of War - ENGLISH CLASSICS DELUXE

Sun Tzu

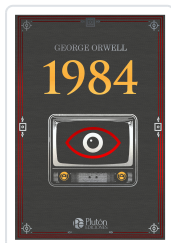

SINOPSIS

Attributed to Sun Tzu, "The Art of War" is one of the most influential works ever written on strategy, conflict, and leadership. Composed in ancient China, this concise but far-reaching text examines the principles that govern victory and defeat, showing that true strength lies not in brute force alone, but in intelligence, discipline, timing, and self-knowledge. Though rooted in warfare, its insights extend far beyond the battlefield. For centuries, rulers, generals, thinkers, and readers from many different traditions have turned to this work for its clarity, precision, and practical wisdom. What gives "The Art of War" its lasting power is its remarkable balance of brevity and depth. It is a classic of military thought, but also a profound reflection on judgment, human behavior, and the effective use of power. Its influence has secured it a permanent place among the foundational texts of world civilization....
