

# The Picture of Dorian Gray - ENGLISH CLASSICS DELUXE

Oscar Wilde

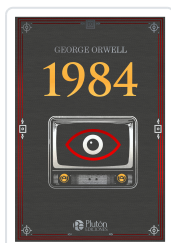

## SINOPSIS

Beautiful, brilliant, and fatally impressionable, Dorian Gray enters the glittering world of late Victorian society under the influence of voices that praise youth above conscience and pleasure above restraint. Published in 1890 and later revised by Wilde, "The Picture of Dorian Gray" remains one of the great classics of English fiction. It unites Gothic tension, philosophical wit, and extraordinary stylistic refinement in a story that is as unsettling as it is seductive. At once a decadent novel, a moral fable, and a work of psychological intensity, it has secured a lasting place in modern literature. Its enduring power lies in the brilliance of its language and in the disturbing questions it asks about beauty, influence, and the soul...
